

COIP PRODUCTION PATHWAYS

PREMIUM PRODUCTION

BEST FOR

New courses requiring significant multimedia and course enhancement and elevation

KEY FEATURES

- More than 70% new content
- Advanced multimedia and animation
- Enhanced Canvas navigation and page design
- Educational technology integration
- Scripted lecture videos required

FACULTY COMMITMENT

- Weekly meetings
- Develop course map and module outlines
- Create scripts and PowerPoints
- Record videos
- Review all course materials

TIMELINE

1–2 Semesters

STIPEND
\$5,000

FULL PRODUCTION

BEST FOR

New course development with moderate multimedia support

KEY FEATURES

- More than 70% new content
- Full instructional design support
- Enhanced lecture design
- Learning tool integration
- PowerPoint enhancement
- Animation optional
- Scripting recommended, not required

FACULTY COMMITMENT

- Weekly meetings
- Develop course materials
- Record videos
- Review course content

TIMELINE

1–2 Semesters

STIPEND
\$3,000

PARTIAL PRODUCTION

BEST FOR

Significant updates to an existing COIP-developed course

KEY FEATURES

- Between 25% and 70% of the content is updated
- Existing course foundation retained
- Learning tool enhancements
- Select multimedia updates
- 1-semester timeline

FACULTY COMMITMENT

- Weekly meetings
- Provide course content
- Determine information to revise
- Record videos optional
- Review course content

EXAMPLE PROJECTS

- Textbook updates
- Accreditation changes
- Updates to 4+ modules
- Re-recording 4–8 videos
- New learning activities or labs

TIMELINE

1 Semester

STIPEND
\$1,500

MICRO-PRODUCTION

BEST FOR

Minor revisions or template updates

KEY FEATURES

- Less than 25% of the content is updated
- Existing content largely unchanged
- Canvas template migration
- OCQ compliance review
- 1-semester timeline

FACULTY COMMITMENT

- Regular meetings
- Provide course content
- Determine information to revise
- Review course content

EXAMPLE PROJECTS

- Template updates
- Design-Only Updates
- Updates to 3 or fewer modules
- Re-recording 3 or fewer videos

TIMELINE

1 Semester

STIPEND
NONE

ACCESSIBILITY & OCQ READINESS REVIEW

BEST FOR

Courses needing quality and accessibility review

KEY FEATURES

- Accessibility review
- OCQ readiness review
- Quick remediation of simple issues
- Recommendations for larger improvements

FACULTY COMMITMENT

- Meetings to discuss updates
- Review feedback
- Determine information to revise
- Review updates

TIMELINE

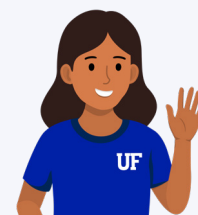

Can be completed in as little as 8 weeks

STIPEND
NONE

QUICK COMPARISON

PATHWAY	NEW CONTENT	WORK EFFORT	TIMELINE	STIPEND
Premium Production	More than 70%	High ★★★★★	1–2 Semesters	\$5,000
Full Production	More than 70%	Medium ★★★★☆	1–2 Semesters	\$3,000
Partial Production	Between 25% and 70%	Moderate ★★★☆☆	1 Semester	\$1,500
Micro-Production	Less than 25%	Minimal ★★☆☆☆	1 Semester	None
Accessibility & OCQ	TBD	TBD ★★★★★	8 Weeks	None

NEED HELP CHOOSING?

If you're unsure which pathway fits your project, select the closest option during intake. The pathway can be adjusted during your kickoff meeting.
